Hilmar Farmer's Parade of Lights.

1. Each entry must be illuminated.
2. Lights should be miniature. The more lights the better it will look in the dark.
3. Do not stop to perform. Keep moving at walking speed. We encourage Christmas music to be played.
4. Candy or favors may be handed out but not thrown.
5. Please ... No blowing of HORNS AND SIRENS. It will drown out other entrant's music and could spook the horses and other animals.
6. Horse entries must be cleaned up after with a crew to follow. Horses must be bagged.
7. Entries must be parked in a line at the west side of either Magnolia or Winfield, north of First St., between 4:00 pm and 5:30 pm. The parade starts at 5:55 pm sharp! Bigger rigs can be parked on First St. by Magnolia. All entries must be pointed to the intersection of First and Winfield Streets to head south on Winfield.

8. I understand I just need to line up behind any parked vehicle on Magnolia, Winfield or (if a big rig on 1st Street, west of Winfield) by a red flag on the lawn and move when the vehicle ahead of me moves.

9. Maximum height of any vehicle or float is 14 feet.

10. Please remember streets are narrow and consider this if you're bringing a wide vehicle.

11. No alcoholic beverages are allowed anywhere on the parade route or staging area.

12. Any walkers who wish to be in the parade must have at least 1 strand of lights.

13. If children are walking, adults must supervise every child and for large groups of more than five children, there must be one adult for every 5 children, 2 for 10, 4 for 20 kids, etc.
14. The parade will proceed at 5:55 pm sharp (if heavy rain and thunderstorms, parade will be moved to Sunday!) The parade will last approximately 45 minutes so be prepared.
15. Any gasoline generators must be exhausted 12 inches outside of any contained area and each entry is required to carry a fire extinguisher. All generators must be quiet.
